

Strategic Outsourcing

Print2Assist enables companies to Outsource the printing, processing, mailing and electronic presentment of critical business communications.

Strategic Outsourcing creates a more flexible environment and allows your organization to:

- ▶ **Reduce Fixed Costs and Overhead** associated with the printing, imaging, processing and mailing of business documents.
- ▶ **Lower Direct Purchasing Costs** by producing the complete project under one roof. We handle the printing, data conversion, mail preparation and mailing of the completed project.
- ▶ **No Expensive Equipment Purchases** and maintenance costs associated with the daily, weekly or monthly production of your business communication documents.
- ▶ **Access State-of-the-art Equipment** including laser printers, folders, inserters and postal equipment with no capital expenditure on your part.
- ▶ **Programming and Data Conversion** will be completed by an expert staff that can customize and program to your exact needs.
- ▶ **Electronic Presentment** can be developed as a separate or integrated function of your statement process by an experienced programming staff.
- ▶ **Utilize CD-ROM and Archiving Solutions** that include web presentation to complement the outsourcing of your business documents.

If your company is interested in partnering with Print2Assist, you will get a dedicated and caring team of professionals with over 20 years experience. Print2Assist has the resources and expertise to handle all of your printing, mailing and promotional product needs.
