

ePurchasing

Print2Assist enables companies and organizations to order printed and promotional products in a customized and secure web-based environment.

The Print2Assist solution assists your organization to:

- ▶ Create an online ordering system by using a proven, developed purchasing system that can be customized to your organization's needs.
- ▶ Reduce operating costs with a state-of-the-art purchasing and office management system.
- ▶ Lower direct purchasing costs by using a totally integrated ePurchasing solution that allows each individual office to purchase while leveraging the purchasing power and entire organization.
- ▶ Reduce your staffing overhead by utilizing a simple online ordering system for all of your printing and promotional product needs.
- ▶ Increase your office efficiencies by receiving your order confirmation, proofs and the ability to track your order right from your desktop.
- ▶ Provide your organization with a quarterly rebate that will be sent directly to the cause(s) of your choice.

If your company or organization is interested in partnering with Print2Assist, you will get a dedicated and caring team of professionals with over 20 years experience. Print2Assist has the resources and expertise to handle all of your printing, mailing and promotional product needs.
